

St. Joseph Scholarship Program

St. Joseph Scholarship Program admits female students attending Cloud County Community College looking to find and desiring a secure place to study and grow into adulthood as they prepare for their next college or university experience. We wish to promote personal responsibility through academic excellence, service and leadership in a cooperative living environment with the Sisters of St. Joseph.

St. Joseph Scholarship Program is sponsored by Manna House of

Prayer, an entity of the Sisters of St. Joseph of Concordia. From its earliest days, the Sisters of St. Joseph have emphasized education and academic achievement. Manna House, the first Motherhouse of the Sisters of St. Joseph in 1883, at the building's inception housed an academy for girls.

Requirements: An application and interview will be required. In order to be eligible for St. Joseph Scholarship Program, the applicant must have demonstrated a strong desire for success in the three areas of focus: academics, service and leadership. The applicant will be asked to describe how she has upheld these ideals throughout high school and how she intends to continue in her new phase of education. The applicant's references will also have the same task.

In order to participate in the program, the applicant will be required to demonstrate a 3.5 grade point average from high school, (exceptions with explanation welcome) and a minimum of 3.3 cumulative grade average from CCCC for continued participation in the program.

St. Joseph Scholarship Program

St. Joseph Scholarship Program is non-traditional housing. It will have a space independent of the Sisters space with open access to all necessary amenities. St. Joseph Scholarship Program will uphold the current housing rules and regulations of Cloud County Community College as the minimum and provide program rules that will support and enhance the opportunities for success for the women choosing to participate in the program. In order to establish a strong focus on community building, academic success, and formation for life, the St. Joseph Scholarship Program will have house socials, study hours and opportunities for spiritual growth.

There will be a requirement of community service hours at a site of the student choice in the civic community of Concordia, in addition to weekly responsibilities in Scholarship Program's communal areas.

\$1800 per semester

Breakfast and evening meal will be provided. Students are encouraged to be on campus and participate in campus activities. It is suggested that each resident purchase a meal ticket and eat the noon meal on CCCC campus for the CCCC dining services.

\$100 Application Fee
